In an effort to raise funds for a new playground at the [Miller Avenue School](#) in the Shoreham-Wading River School District, the Miller Avenue PTO has applied for two \$50,000 grants that take online votes to win.

The first grant, [with Clorox](#), begins Monday and runs through Dec. 9, and every person (over 13 years old) can vote two times per day.

20 students from the school are preparing a video that will run online to promote the grant application once the voting begins.

The program is National and the school will be up against a lot of competition with just five winners. The program that receives the highest number of votes will be awarded the \$50,000 grand-prize grant, and the next top vote-getters in the Play, Create and Explore categories respectively will each be awarded a \$25,000 grant. Clorox's judging panel, will select one additional lucky school to win a \$25,000 judge's choice grant.

To vote you can either text CLOROX3946 to 44144 (fees may apply) or vote online at [at PowerABrightFuture.com](#). Go to nominations, click "PLAY" then search "Miller Avenue."
