Step by step-by pulling together
One World-Support it One Land-Protect it Our Life Embrace it

We'll get further if we pull together.

Mr. Lori Rosenthal's science class in their "green space." To further develop their awareness, the class conducted a survey of other students in the school to test the poll and Rosenthal's hypothesis.

Shoreham-Wading River School District
The WR School District is a name to be proud of and one that we have come to expect. In order to achieve at the highest level possible, in order to serve the students in the community, the WR School District must take the lead in providing an education that is innovative, challenging, and stimulating. We have seen a significant increase in the number of students participating in extracurricular activities and in the number of students who are receiving high-quality education.

In addition, the WR School District has taken the lead in providing a safe and secure learning environment for all students. The district has implemented a variety of programs to ensure the safety and security of all students, including increased security presence, increased staff training, and increased parent involvement.

The WR School District is committed to providing a high-quality education for all students. We are proud of the progress that has been made and we continue to work towards achieving our goal of providing the best education possible for all students.

The WR School District is committed to providing a high-quality education for all students. We are proud of the progress that has been made and we continue to work towards achieving our goal of providing the best education possible for all students.
We are at the forefront of the educational journey. Our students are our future, and we are committed to providing them with the best possible learning environment. As we enter this new academic year, we are dedicated to ensuring that our students graduate prepared for their future endeavors.

We are proud of the collaborative efforts between the administration, faculty, and students, which we believe will positively impact our school community. Our leadership team is committed to providing guidance and support to foster a culture of excellence and achievement.

We encourage our students to reach for their goals and participate in extracurricular activities to develop their skills and interests. We believe in the power of education to transform lives and create a brighter future for our students.

We thank you, our parents, guardians, and community members, for your unwavering support. Together, we are building a brighter future for our students.
A Proposal to deal with deferred maintenance...

Pulling together to collectively deal with our needs...

Building needs.

Find a way to improve the facilities and meet our building needs.

In a school of our size, it is important to plan for the future. Our facilities are in need of repair and maintenance. The time to act is now.

We need to come together as a school and pull our resources to improve our facilities.

Summer Maintenance Tasks -
Eleven Musicians to Attend All-State

Outstanding achievement in music

William is a musician at Whitewater High School. He has been playing the piano for five years. He started playing the piano at age six and has been playing ever since. He enjoys playing classical music and has won several competitions. He plans to continue playing the piano in college and hopes to become a professional musician in the future.

The Whitewater High School band will be performing at the All-State competition this weekend. The band is composed of eleven musicians, including William. They have been practicing for weeks in order to perform their best. The competition will be held at the State University in the city of Whitewater.

William has been playing the piano since he was six years old. He has won several competitions and hopes to continue playing in college. He plans to become a professional musician in the future. He enjoys playing classical music and is looking forward to performing at the All-State competition.
