

November 2019

Dear Miller Avenue School Families,

During the holiday seasons, Miller Avenue School joins forces with the Salvation Army to collect items for children in need in our community. In the past, the response has been overwhelming and provided many children with warm clothes and toys for the holidays.

We have once again acquired Angel Tags from the Salvation Army with items that each child needs. If you would like to donate new items to help these children, please fill out the bottom portion of this form. Please return the completed form as soon as possible to Mrs. Steinbrecher or Ms. Carlson. We will then send you the child's name and needed items.

Thank you for making holiday dreams come true!

Yes, I would like to receive a holiday tag to help a child in need.
