NIGHT™

# Coding & Cocoa

Tuesday, December 10, 2019

4:30 pm - 6:00 pm

Wading River School Cafeteria

Please join us for an evening of Coding & Cocoa. This event is hosted by STEM and Ms. Medordi's High School students. Students and their families will have the opportunity to explore coding together in our Hour of Code Activity and more to celebrate National Coding Week. This event is most fun when our students bring a partner to code with (e.g. parents, grandparents, sibling, friend, etc.).

Please RSVP by December 2 to: <https://tinyurl.com/codecocoa> so that we can plan to have enough devices and cocoa available. We hope to see you there!
