#### **BookFlix**

An exciting online literacy resource that pairs interactive, fictional video storybooks with related nonfiction eBooks. BookFlix engages young students, reinforces reading skills, and introduces early readers to a world of knowledge and exploration.

#### **Flipster**

A next-generation digital magazine solution that makes it easy for you to read your favorite magazines on your computer or mobile device. Filled with fun and educational magazines kids will love such as: National Geographic Kids, Ranger Rick, Sports Illustrated Kids and more!

#### **Hoopla**

A digital media service that allows you to borrow movies, music, audiobooks, eBooks, comics and TV shows to enjoy on any of your home devices. Collections are created just for kids and families.

## **[Live-brary.com](#)**

Use your library card to borrow eBooks and audiobooks all on your computer, phone, or tablet. Browse, borrow and enjoy thousands of titles from the digital collection. Additionally, the “Libby” app is also available for download on most tablets and phones.

## **[National Geographic Kids](#)**

This online resource combines age-appropriate digital content with the world of science and learning for kids. Offering videos, pictures, books, and magazines, there is a whole world for children to explore!

## **[TumbleBooks](#)**

Animated Talking Picture Books that teach kids the joy of reading in a format they’ll love. TumbleBook Library takes existing picture books, adding animation, sound, music and narration to produce an electronic picture book. Kids can read along or be read to.

## **[World Book Kids](#)**

World Book Kids provides encyclopedic entries written just for kids with more pictures and illustrations. Intended for use by students in kindergarten through early elementary. This is the perfect resource for school help or for kids interested in finding out plenty of information!
